The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration

Los Angeles, California 90012

Dear Supervisors:

**ADOPTED**

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

34 November 17, 2015

  
PATRICK OGAWA  
ACTING EXECUTIVE OFFICER

**AWARD CONSULTANT SERVICES AGREEMENT FOR  
FACILITY PLANNING TECHNICAL SUPPORT  
(ALL DISTRICTS) (3 VOTES)**

**SUBJECT**

The Los Angeles County (County) Sheriff's Department (Department) is requesting the Board's authorization to award a Consultant Services Agreement (Agreement) for technical support services (Services) for the Department's Facilities Planning Bureau (FPB) with Vanir Construction Management, Inc. (Vanir), for a term of three years, with two one-year renewal options, for a maximum contract term of five years. The Agreement shall be for an annual amount not to exceed \$1,000,000; additional funds in any one of the incremental years may be allocated by the Sheriff as needed, up to a total amount not to exceed \$250,000 in any one year for a total amount not to exceed \$6,250,000 over the five-year term of the Agreement.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Find the proposed recommendations are exempt from the California Environmental Quality Act (CEQA) for the reasons stated in this Board letter and the record of the proposed Project.
2. Award and authorize the Sheriff, or his designee, to execute the Agreement with Vanir to provide Services for an annual base contract cost of \$1,000,000 for a term of three years, with two additional one-year renewal options. The Agreement will be exercised at the discretion of the Sheriff, or his designee, for a maximum potential term of five years, commencing on the date of the initial Notice to Proceed.

3. Authorize the Sheriff or his designee, at the Sheriff's discretion, to increase the annual contract by up to \$250,000 each year, provided that there are sufficient funds in the allocated budget, and that the Maximum Contract Sum does not exceed \$6,250,000 over the term of the contract, including any contract renewal options.

## **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Approval of the recommended actions will enable the Department to obtain specialized Services, which will enhance the Department's FPB's management capabilities.

### **Background**

The Department has historically utilized Services for technical facilities planning and related services in order to augment existing staff for the Department's FPB. The Department's current Agreement with Vanir, approved by the Board on August 29, 2006, is scheduled to expire on December 9, 2015.

Frequent increases in workload and requests for specialized facility planning expertise creates the need for technical resources such as programming, design, furniture system modifications, and planning of new and refurbishment projects for the Department's custody facilities, patrol stations, and administrative support facilities to fulfill the Department's capital planning needs. FPB is responding to a number of high priority tasks, such as facility backfill projects resulting from the opening of the Hall of Justice, closure of long-term facility leases, recent increased space needs for mental health treatment/services within custody facilities, and planning and coordination of management activities to relocate units to and from affected facilities.

These activities have substantially increased the workload of the Department's FPB, which has created staff shortages. The ability to utilize consultant staff in high volume situations would alleviate delays and allow FPB to be more responsive to the Department's evolving needs.

The Agreement for Services with Vanir provides the Department as needed flexibility and access to a wide range of specialized services at any given time, for any length of time, that otherwise would not be available.

To ensure adequate resources with the appropriate level of training and experience to execute work on schedule and without loss of continuity, the Department is requesting an Agreement with Vanir, to supplement the Department's planning and project management activities over the next three years with two one-year extension options.

## **Implementation of Strategic Plan Goals**

The Services provided under this Agreement support the County's Strategic Plan, Goal 1, Operational Effectiveness/Fiscal Sustainability, by managing fluctuations and increases in workload while providing quality, safe, and secure facilities for our employees, inmates, and the public.

## **FISCAL IMPACT/FINANCING**

The base contract cost is \$1,000,000 per year for a term of three years, with two one-year renewal options to be exercised at the discretion of the Sheriff, or his designee, for a maximum contract term of five years, and an anticipated Maximum Contract Sum of \$5,000,000. The Department has

allocated sufficient funds within its Fiscal Year 2015-16 Operating Budget under Services and Supplies to award the Agreement.

At the discretion of the Department, additional funds in one or more of the incremental years may be allocated, at no more than \$250,000 per year, not to exceed \$6,250,000 over the total contract term, if all of the renewal options are exercised. Increases may only be made if there are sufficient allocated funds.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The Agreement is in compliance with the Board's clauses that provide for termination, renegotiations, and hiring qualified displaced County employees. The Agreement contains terms and conditions supporting the Board's ordinances, policies, and programs.

County Counsel has reviewed and approved the Agreement as to form.

### **ENVIRONMENTAL DOCUMENTATION**

The proposed activity is not a project pursuant to the CEQA, because it is an activity that is excluded from the definition of a project by CEQA Guidelines Section 15378(B), as it involves an administrative activity of government that will not result in direct or indirect changes to the environment.

### **CONTRACTING PROCESS**

On September 3, 2014, the Department issued a Request for Proposal (RFP) for as needed Services. The objective of the solicitation was to identify the most qualified consultant firm that demonstrated the highest level of experience and capability to provide the required Services. Four firms responded to the RFP.

An Evaluation Committee consisting of Departmental technical staff and the Chief Executive Office evaluated the proposals. Evaluations of the firms were based on technical expertise, proposed work plan, experience, personnel, qualifications, and understanding of work requirements. These evaluations were completed without regard to race, creed, color, or gender. Based on the review and evaluation of the proposals, the Evaluation Committee recommended Vanir as the best qualified firm to perform the specified Services.

The Department has evaluated and determined that the Living Wage Program (County Code, Chapter 2.201) does not apply to the recommended Agreement.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

There will be no impact on current County services or projects during the performance of the recommended consultant services.

This contract will allow the Department to continue to manage and implement the Department's Capital Project Program with as needed Services to better manage fluctuations in workload, provide more responsive services, and ensure safer and more secure facilities.

**CONCLUSION**

Upon Board approval, please instruct the Executive Officer-Clerk of the Board to return two originally executed Agreements to the Department's FPB.

Sincerely,

A handwritten signature in black ink, appearing to read "Jim McDonnell". The signature is stylized with a large, looping initial "J" and a cursive "McDonnell".

- 8.38.2 Failure on the part of the Consultant to comply with any of the provisions of this sub-paragraph 8.38 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.
- 8.38.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Consultant regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Consultant, then the difference shall be either: a) repaid by the Consultant to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Consultant from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Consultant, then the difference shall be paid to the Consultant by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.
- 8.38.4 In addition to the above, the Consultant agrees, should the County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Consultant's records (including, certain records related to non-County contracts) to enable the County to evaluate the Consultant's compliance with the County's Living Wage Program, that the Consultant shall promptly and without delay provide to the County, upon the written request of the County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to the County under this Contract, including without limitation, records relating to work performed by said employees on the Consultant's non-County contracts. All such materials and information shall be maintained by the Consultant at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County's option, the Consultant shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

- 8.40.4 The Consultant shall remain fully responsible for all performances required of it under this Contract, including those that the Consultant has determined to subcontract, notwithstanding the County's approval of the Consultant's proposed subcontract.
- 8.40.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The Consultant is responsible to notify its Subcontractors of this County right.
- 8.40.6 The County's Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and Subcontractor employees. After approval of the subcontract by the County, Consultant shall forward a fully executed subcontract to the County for their files.

Failure of the Consultant to maintain compliance with the requirements set forth in sub-paragraph 8.14 - Consultant's Warranty of Adherence to County's Child Support Compliance Program, shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Consultant to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to sub-paragraph 8.43 - Termination for Default and pursue debarment of the Consultant, pursuant to County Code Chapter 2.202.

#### **8.42 TERMINATION FOR CONVENIENCE**

8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. 8.43.2 In the event that the County terminates this Contract in whole or in part as provided in sub-paragraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Consultant shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Consultant shall continue the performance of this Contract to the extent not terminated under the provisions of this sub-paragraph.

8.43.3 Except with respect to defaults of any Subcontractor, the Consultant shall not be liable for any such excess costs of the type identified in sub-paragraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Consultant. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Consultant. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Consultant and Subcontractor, and without the fault or negligence of either

of them, the Consultant shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Consultant to meet the required performance schedule. As used in this sub-paragraph, the term "Subcontractor(s)" means Subcontractor(s) at any tier.

8.43.4 If, after the County has given notice of termination under the provisions of this sub-paragraph 8.43, it is determined by the County that the Consultant was not in default under the provisions of this sub-paragraph 8.43, or that the default was excusable under the provisions of sub-paragraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to sub-paragraph 8.42 - Termination for Convenience.

8.43.5 The rights and remedies of the County provided in this sub-paragraph 8.43 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

In the event of such termination, the County shall be entitled to pursue the same remedies against the Consultant as it could pursue in the event of default by the Consultant.

8.44.2 The Consultant shall immediately report any attempt by a County officer or employee to solicit such improper consideration. #### **8.47 TERMINATION FOR NON-APPROPRIATION OF FUNDS**

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Consultant's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Consultant in writing of any such non-allocation of funds at the earliest possible date.

#### **8.49 WAIVER**

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this subparagraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

#### **8.50 WARRANTY AGAINST CONTINGENT FEES**

8.50.1 The Consultant warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Consultant for the purpose of securing business.

3. If the Consultant is required to pay a living wage when the Contract commences, the Consultant shall continue to pay a living wage for the entire term of the Contract, including any option period.
4. If the Consultant is not required to pay a living wage when the Contract commences, the Consultant shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. The Consultant shall immediately notify the County if the Consultant at any time either comes within the Living Wage Program's definition of "Employer" or if the Consultant no longer qualifies for an exception to the Living Wage Program. In either event, the Consultant shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The County may also require, at any time during the Contract and at its sole discretion, that the Consultant demonstrate to the County's satisfaction that the Consultant either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that the Consultant continues to qualify for an exception to the Living Wage Program. Unless the Consultant satisfies this requirement within the time frame permitted by the County, the Consultant shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.

5. For purposes of the Consultant 's obligation to pay its Employees the applicable hourly living wage rate under this Contract, "Travel Time" shall have the following two meanings, as applicable: 1) With respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an Employee physically travels to or from a County facility if the Consultant pays the Employee any amount for that time or if California law requires the Consultant to pay the Employee any amount for that time; and 2) With respect to travel by an Employee between County facilities that are subject to two different contracts between the Consultant and the County (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if the Consultant pays the Employee any amount for that time or if California law requires the Consultant to pay the Employee any amount for that time.

#### **9.1.3 Consultant's Submittal of Certified Monitoring Reports**

The Consultant shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of the Consultant's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by the Consultant for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of the Consultant's current health care benefits plan, and the Consultant's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the County (Exhibit K and Exhibit L), or other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, the Consultant shall promptly provide such information. The Consultant, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

#### **9.1.4 Consultant's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims**

During the term of the Contract, if the Consultant becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Consultant shall immediately inform the County of any pertinent facts known by the Consultant regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Consultant's contract with the County, but instead applies to any labor law/payroll violation or claim arising out of any of the Consultant's operations in California.

#### **9.1.5 County Auditing of Consultant Records**

Upon a minimum of twenty-four (24) hours' written notice, the County may audit, at the Consultant's place of business, any of the Consultant's records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. The Consultant is required to maintain all such records in California until the expiration of four (4) years from the date of final payment under the Contract. Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

#### **9.1.6 Notifications to Employees**

The Consultant shall place County-provided living wage posters at each of the Consultant's places of business and locations where the Consultant's Employees are working. The Consultant shall also distribute County-provided notices to each of its Employees at least once per year. The Consultant shall translate posters and handouts into Spanish and any other language spoken by a significant number of Employees.

#### **9.1.7 Enforcement and Remedies**

If the Consultant fails to comply with the requirements of this sub-paragraph, the County shall have the rights and remedies described in this sub-paragraph in addition to any rights and remedies provided by law or equity.

1. Remedies For Submission of Late or Incomplete Certified Monitoring Reports. If the Consultant submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

a. Withholding of Payment. If the Consultant fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to the Consultant up to the full amount of any invoice that would otherwise be due, until the Consultant has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

b. Liquidated Damages. It is mutually understood and agreed that the Consultant's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Consultant's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against the Consultant liquidated damages in the amount of \$100 per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed

liquidated damages from any payments otherwise due the Consultant.

- c. Termination. The Consultant's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.
2. Remedies for Payment of Less Than the Required Living Wage. If the Consultant fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:
    - a. Withholding Payment. If the Consultant fails to pay one or more of its Employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due the Consultant the aggregate difference between the living wage amounts the Consultant was required to pay its Employees for a given pay period and the amount actually paid to the employees for that pay period. The County may withhold said amount until the Consultant has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
    - b. Liquidated Damages. It is mutually understood and agreed that the Consultant's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Consultant's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against the Consultant liquidated damages of \$50

per Employee per day for each and every instance of an underpayment to an Employee. The County may deduct any assessed liquidated damages from any payments otherwise due the Consultant.

- c. Termination. The Consultant's continued failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

- 3. Debarment. In the event the Consultant breaches a requirement of this sub-paragraph, the County may, in its sole discretion, bar the Consultant from the award of future County contracts for a period of time consistent with the seriousness of the breach, in accordance with Los Angeles County Code, Chapter 2.202, Determinations of Consultant Non-Responsibility and Consultant Debarment.

#### **9.1.8 Use of Full-Time Employees**

The Consultant shall assign and use full-time Employees of the Consultant to provide services under the Contract unless the Consultant can demonstrate to the satisfaction of the County that it is necessary to use non-full-time Employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that the Consultant shall not, under any circumstance, use non-full-time Employees for services provided under the Contract unless and until the County has provided written authorization for the use of same. The Consultant submitted with its proposal a full-time Employee staffing plan. If the Consultant changes its full-time Employee staffing plan, the Consultant shall immediately provide a copy of the new staffing plan to the County.

#### **9.1.9 Consultant Retaliation Prohibited**

The Consultant and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person or entity who has reported a violation of the Living Wage Program to the County or to any other public or private agency, entity or

person. A violation of the provisions of this sub-paragraph may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

#### **9.1.10 Consultant Standards**

During the term of the Contract, the Consultant shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, the Consultant shall demonstrate to the satisfaction of the County that the Consultant is complying with this requirement.

### **9.2 LOCAL SMALL BUSINESS ENTERPRISE (SBE) PREFERENCE PROGRAM**

- 9.2.1 This Contract is subject to the provisions of the County's ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.
- 9.2.2 The Consultant shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.
- 9.2.3 The Consultant shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.
- 9.2.4 If the Consultant has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of the contract; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Consultant Non-responsibility and Consultant Debarment).

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the state and Internal Services Department of this information prior to responding to a solicitation or accepting a contract award.

### **9.3 OWNERSHIP OF MATERIALS, SOFTWARE AND COPYRIGHT**

- 9.3.1 County shall be the sole owner of all right, title and interest, including copyright, in and to all software, plans, diagrams, facilities, and tools (hereafter "materials") which are originated or created through the Consultant's work pursuant to this Contract. The Consultant, for valuable consideration herein provided, shall execute all documents necessary to assign and transfer to, and vest in the County all of the Consultant's right, title and interest in and to such original materials, including any copyright, patent and trade secret rights which arise pursuant to the Consultant's work under this Contract.
- 9.3.2 During the term of this Contract, including any Contract extensions, and for five (5) years thereafter, the Consultant shall maintain and provide security for all of the Consultant's working papers prepared under this Contract. County shall have the right to inspect, copy and use at any time during and subsequent to the term of this Contract, any and all such working papers and all information contained therein.
- 9.3.3 Any and all materials, software and tools which are developed or were originally acquired by the Consultant outside the scope of this Contract, which the Consultant desires to use hereunder, and which the Consultant considers to be proprietary or confidential, must be

specifically identified by the Consultant to the County's Project Manager as proprietary or confidential, and shall be plainly and prominently marked by the Consultant as "Proprietary" or "Confidential" on each appropriate page of any document containing such material.

9.3.4 The County will use reasonable means to ensure that the Consultant's proprietary and/or confidential items are safeguarded and held in confidence. The County agrees not to reproduce, distribute or disclose to non-County entities any such proprietary and/or confidential items without the prior written consent of the Consultant.

9.3.5 Notwithstanding any other provision of this Contract, the County will not be obligated to the Consultant in any way under sub-paragraph 9.4.4 for any of the Consultant's proprietary and/or confidential items which are not plainly and prominently marked with restrictive legends as required by sub-paragraph 9.4.3 or for any disclosure which the County is required to make under any state or federal law or order of court.

9.3.6 All the rights and obligations of this sub-paragraph 9.4 shall survive the expiration or termination of this Contract.

#### **9.4 PATENT, COPYRIGHT AND TRADE SECRET INDEMNIFICATION**

9.4.1 The Consultant shall indemnify, hold harmless and defend County from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense costs and attorneys' fees, for or by reason of any actual or alleged infringement of any third party's patent or copyright, or any actual or alleged unauthorized trade secret disclosure, arising from or related to the operation and utilization of the Consultant's work under this Contract. County shall inform the Consultant as soon as practicable of any claim or action alleging such infringement or unauthorized disclosure, and shall support the Consultant's defense and settlement thereof.

9.4.2 In the event any equipment, part thereof, or software product becomes the subject of any complaint, claim, or proceeding alleging infringement or unauthorized disclosure, such that County's continued use of such item is formally restrained, enjoined, or subjected to a risk of damages, the Consultant, at its sole expense, and

providing that County's continued use of the system is not materially impeded, shall either:

- Procure for County all rights to continued use of the questioned equipment, part, or software product; or
- Replace the questioned equipment, part, or software product with a non-questioned item; or
- Modify the questioned equipment, part, or software so that it is free of claims.

9.4.3 The Consultant shall have no liability if the alleged infringement or unauthorized disclosure is based upon a use of the questioned product, either alone or in combination with other items not supplied by the Consultant, in a manner for which the questioned product was not designed nor intended.
